The Honorable Stephen Huffman
Chairman
Health Committee
Ohio Senate
1 Capitol Square
Columbus, OH 43215

RE: HB 252, the Audiology and Speech-Language Pathology Interstate Compact

Dear Chairman Huffman:

On behalf of the American Speech-Language-Hearing Association, I write to support HB 252, the Audiology and Speech-Language Pathology Interstate Compact.

The American Speech-Language-Hearing Association (ASHA) is the national professional, scientific, and credentialing association for 218,000 members and affiliates who are audiologists; speech-language pathologists; speech, language, and hearing scientists; audiology and speech-language pathology support personnel; and students. Over 7,700 ASHA members reside in Ohio.¹

ASHA members often have difficulty obtaining multiple state licenses to practice due to administrative burdens. These burdens hinder their ability to provide quality services and restrict consumer access in underserved and rural communities. ASHA is pleased to support this bill, which will:

- increase access to care for patients, clients, and/or students; and
- facilitate continuity of care when patients, clients, and/or students relocate or travel to another state, specifically with members of the military and their spouses.

If you or your staff have any questions, please contact Susan Adams, ASHA's director of state legislative and regulatory affairs, at sadams@asha.org.

Sincerely,

A. Lynn Williams, PhD, CCC-SLP
2021 ASHA President
