Primary Employment Facility of Doctoral Graduates Data Table – Worksheet

Instructions: This worksheet is meant to assist you in organizing data to answer questions in your survey. Please complete a separate worksheet for each "Program Area of Study" and each "Degree Type."

Survey Question: In the most recently completed academic year how many graduates of this degree program found primary employment in each of the following settings?

Program Area of Study (select one): ☐ Audiology ☐ Speech-Language Pathology ☐ Speech and Hearing Sciences

Degree Type (select one):

☐ AuD (clinical entry level)	☐ AuD (clinical post entry)	☐ CScD (clinical entry level)
☐ CScD (clinical post-entry)	☐ DA (clinical entry level)	☐ DA (clinical post entry)
☐ EdD (research)	☐ PhD (clinical entry level)	☐ PhD (clinical post entry)
☐ PhD (research)	☐ ScD (clinical entry level)	☐ ScD (clinical post entry)
☐ ScD (research)	☐ SLPD (clinical entry level)	☐ SLPD (clinical post entry)

Complete the table by indicating the number of graduates by employment setting for this degree program during the **most recently completed academic year** (Fall through and including Summer). **For this survey, enter data for the academic year Fall 2005 – Summer 2006.**

Employment Setting	Number of Graduates
Faculty in CAA program	
Faculty in other CSD non-CAA program	
Faculty in other discipline (e.g., Special Ed.)	
Clinical position in CAA program	
Clinical position in other CSD non-CAA program	
Clinical position in non-academic setting	
Administrative position in CAA program	
Administrative position in CSD non-CAA program	
Administrative position in non-academic setting	
Research position in a non-academic setting	
Postdoctoral position	
Postponed employment	
Position in non-CSD or non- related setting	
Unknown	
Grand Total:	

HELP:

- This question applies to doctoral degree types ONLY.
- **CAA** is the acronym for the Council on Academic Accreditation in Audiology and Speech-Language Pathology.
- **Administrative position in non-academic setting**: A CSD administrative position in any facility other than an academic setting (director of a hospital rehab department, etc.)
- **Research position in a non-academic setting**: A research position in any facility other than an academic setting (at the National Institutes of Health, a pharmaceutical company, etc.)
- **Position in non-CSD or non--related setting**: All other positions (other field, etc.)
- The maximum number of students for any given category is 20. If your program graduates more than 20 doctoral students in any given category, please use the comment box at end of this survey section.
