**Number of Searches for Full-Time Faculty with Doctoral Degrees and Number of Searches Filled – Worksheet**

**Instructions:** This worksheet is meant to assist you in organizing data to answer questions in your survey.

**Survey Question:** In the most recently completed academic year, how many searches did your program conduct for full-time faculty with doctoral degrees and how many of these searches were filled by faculty holding specific doctoral degrees? Complete the table below indicating “0” where appropriate.

Complete the table by indicating the number of searches conducted and the number of searches filled during the **most recently completed academic year** (Fall through and including Summer). **For this survey, enter data for the academic year Fall 2005 – Summer 2006.**
