### First Year Master's Students by Highest Degree Earned at Time of Enrollment Data Table – Worksheet

**Instructions:** This worksheet is meant to assist you in organizing data to answer questions in your survey. Please complete a separate worksheet for each “Program Area of Study” and each “Degree Type.”

**Survey Question:** Indicate the number of **first year** master's students that fell into the following categories based upon their highest degree earned at the time of enrollment in the program. Complete the table below indicating “0” where no enrollments occurred for any given category.

**Program Area of Study** (select one):     Audiology                       Speech-Language Pathology     Speech and Hearing Sciences

**Degree Type** (select one):             MA                                       ME                                       MHS  
 MS                                       MA                                       ME  
 MHS                                       MS

Complete the table by indicating the number of individuals by highest degree earned at the time of enrollment in this degree program during the **most recently completed academic year** (Fall through and including Summer). **For this survey, enter data for the academic year Fall 2005 – Summer 2006.**
