Number of Grant and Contract Awards and Funding Amounts – Worksheet

Instructions: This worksheet is meant to assist you in organizing data to answer questions in your survey.

Survey Question: Indicate the number of grants and contracts your program had in the most recently completed academic year and the combined dollar amount (rounded to the nearest dollar) by type of grant/contract. Complete the table below indicating “0” where no awards were granted for a given category.

Complete the table by indicating the number of grant and contract awards and funding amounts for the **most recently completed academic year** (Fall through and including Summer). **For this survey, enter data for the academic year Fall 2005 – Summer 2006.**

HELP:

- **Research grant**—awarded for the purpose of conducting basic or applied research
- **Personnel preparation**—awarded for the purpose of increasing the number of personnel within a discipline (e.g., SLPs, pediatric audiologists, PhD-level faculty)
- The range is 0-99 for the number of awards. The range is \$0 to \$10,000,000 (no decimals) for the total funding amount. If your program has received more than 99 awards or \$10,000,000 in funding, please use the comment box at end of this survey section.
