

HOW WE'VE CHANGED

Membership in ASHA's Special Interest Divisions, 1991-2006

The number of Special Interest Division members has grown by more than **15,000** individuals since 1991, a **1,803%** increase.

*Special interest division members may belong to more than one division. In 2006, for example, 7,694 of the 16,381 special interest division members belonged to more than one division.
