HELP:

- **Enrolled:** How many students registered for classes at the beginning of the academic year?
- **Non-International:** Domestic citizens or resident aliens (visas not required)
- **International:** In determining the number of "international" students, include only those students who applied from outside the US and who have been issued an F1 or J1 Visa (<http://educationusa.state.gov/usvisa.htm>) by the US Government. Contact your institution's office for international students for additional information.
- **White:** Caucasian
- **Racial/ Ethnic Minorities:** Non-white/non-Caucasian.
- **Non-traditional:** For this survey, “Non-Traditional” refers only to graduate students who are 30 years old or older.
- The maximum number of students for any given category is 300. If your program has more than 300 students in any given category, please use the comment box at end of this survey section.
