

## 2019 ASHA Health Care Connect — Rationale Letter

Please customize for your specific situation.

Dear <Insert supervisor's name>,

I would like your approval to attend ASHA's Health Care Connect conference from July 19–21, in Chicago, Illinois. Designed specifically for SLPs in health care settings like me, this conference offers great learning and networking opportunities that would be very beneficial to my professional development and <Insert organization name>.

Here's what makes attending this conference such a valuable investment:

1. **Relevant, highest-quality education.** I will be able to hear from invited experts in the field as I choose among more than 80 quality sessions on topic areas that affect our patients every day, such as [insert a sampling of topics of interest to you]. Since Health Care Connect is co-located with Schools Connect and Private Practice Connect, it provides me the unique opportunity to learn to collaborate effectively with SLPs who provide services to my patients along the continuum of care.
2. **Unmatched networking.** I can exchange ideas with more than 1,000 SLP peers and build lasting relationships with people who can continuously offer insight into my daily work. I will also have the opportunity to network with senior leadership of various health care organizations to learn about the impact of reimbursement changes on clinical practice.
3. **ASHA CEUs.** I will get the professional development I need and earn up to 1.75 ASHA CEUs.
4. **Solutions.** Not only will I bring home practical takeaways from education sessions, I will also have the opportunity to meet representatives from leading companies and organizations and find products and services that can help me in my work with the patients in our facility/practice.

The conference is just 2½ days long and is over a weekend, so I won't miss much work. When I return, I will be able to share the knowledge I've gained with colleagues, administrators, families, and caregivers in our facility/organization.

I've provided a breakdown of approximate costs to attend this conference, as well as a worksheet that indicates our organization's current needs and how attending this event can help meet these needs. To cut down on costs, I can register before June 7 to receive the early bird rate. Also, the official hotel for this conference, the Hyatt Regency Chicago, is offering an ASHA-negotiated low rate.

I hope you will agree that my attendance at this conference is an excellent use of my time and will provide a great return on investment for our organization. Thank you for your consideration.

Best regards,
