Female	94.5%
Male	5.5%

These counts include individuals who were ASHA members and nonmember certificate holders during the period and whose dues/fees were paid. The percentages are for the number of respondents (n = respondents) to that question only; percentages may not total 100.0% due to rounding. For additional information about these figures, contact the ASHA's Surveys and Information unit at (800) 498-2071, extensions 8738, 8739 or 8749.
