The PACE Matrix for Portfolio Assessment

The PACE Matrix is the foundational tool of the PACE evaluation system. The SLP and the evaluator review the data presented in the portfolio (which contains the checklists, self-reflection tool, observation form, and other artifacts) to determine a rating for each performance objective. Suggestions for portfolio and observational evidence are provided for each objective. Results of this matrix may be used to develop the professional development plan for the next school year.

| Demonstrate knowledge and skills in the subject areas of speech-language pathology and related areas (e.g., literacy) and implement services in an ethical manner | • Evidence of having passed a national, ASHA-approved exam in speech-language pathology  
• Evidence of participation in consistent high quality professional development programs on speech and language topics  
• Input from the SLP                                                                 | Does the SLP:  
• work across all ability levels and serve a range of disorders, as appropriate for the setting?  
• complete and provide in-services (i.e., completing professional development)?  
• demonstrate competence in oral and written communication?  
• follow risk management procedures?  
• organize work space materials and equipment? |                     |                       |
| Provide culturally and educationally appropriate services that are effective, engage students, and reflect evidence-based practices | • Observation of therapy conducted by a professional who is familiar with communication disorders and treatment, preferably a certified SLP  
• Self-assessment  
• Teacher survey  
• Parent survey  
• Student survey, where                                                                 | Does the SLP:  
• engage students in the session’s activities?  
• provide accurate and appropriate feedback to students individually?  
• Implement activities that promote progress on the students’ specific IEP goals?  
• have good behavior management skills? |                     |                       |

**Partner with the team to determine eligibility and recommends services that are compliant with state and federal regulations for children with IEPs**

- IEP goals, supports, and services that are appropriate/relevant to the needs of the student and tied to the common core or state standards, as evidenced by review of the IEP of an agreed-upon sample of case files
- Observation of therapy conducted by a professional who is familiar with communication

Does the SLP:

- prepare adequately for meetings?
- explain IEP content clearly, using language that parents and other team members understand?
- explain how speech and language goals relate to student success with the curriculum?
- develop understandable and
