Oklahoma	X		X						20 clock hours every 2 years
Oregon	X	X							30 clock hours every 2 years
Pennsylvania	X	X							20 clock hours every 2 years
Rhode Island	X		X						20 clock hours every 2 years
South Carolina	X	X						X	16 hours per license period
South Dakota	X	X							12 hours per year
Tennessee				X		X		X	Five years experience during ten year validity period; Less than five years experience during ten year validity period must earn 90 renewal points
Texas			X	X				X	20 clock hours every 2 years
Utah						X			100 points every 5 years
Vermont					X			X	30 contact hours every 3 years
Virginia	X	X						X	30 contact hours every 2 years
Washington						X			150 clock hours of approved in-service or 15 quarter hours of college coursework (or a combination of both) every five years
West Virginia	X	X							20 clock hours every 2 years
Wisconsin						X			Six semester credits or a Professional Development Plan are required every five years
Wyoming	X	X <sup>3</sup>							12 contact hours every year
<b>TOTAL</b>	<b>23</b>	<b>19</b>	<b>13</b>	<b>16</b>	<b>3</b>	<b>15</b>	<b>1</b>	<b>12</b>	

<sup>1</sup> Some states fit into more than one category.

<sup>2</sup> Audiologists in the public schools are generally contract employees and do not fall under specific teacher requirements of the State Department of Education. State licensure is generally required.

<sup>3</sup> Wyoming will require an AuD effective July 1, 2012.
