RE: Speech-Language Pathology Ex-Officio Seat

Dear Chairman Molt and Members of the Executive Committee:

On behalf of the American Speech-Language-Hearing Association (ASHA), I write to request that ASHA be chosen to represent the national speech-language pathology association seat on the Audiology and Speech-Language Pathology Interstate Compact (ASLP-IC) Executive Committee.

The American Speech-Language-Hearing Association (ASHA) is the national professional, scientific, and credentialing association for 223,000 members and affiliates who are audiologists; speech-language pathologists; speech, language, and hearing scientists; audiology and speech-language pathology support personnel; and students.

Upon approval, ASHA will designate the national speech-language pathology association ex-officio.

Thank you for your consideration of ASHA's request. If you have any questions, please contact Susan Adams, ASHA's director of state legislative and regulatory affairs at sadams@asha.org.

Sincerely,

Vicki Deal-Williams, MA, CCC-SLP, FASAE, CAE
