### \*Exceptions

The information in the chart indicates the requirements specified for school settings only either by the state licensure board and/or the state Department of Education.

- AL** 13) Applies only to Level II SLPAs.
- AZ** 6) Speech Language Technicians have no supervision requirements.  
13) Speech-language technicians must complete 180 clock hours of graduate level coursework every six years.
- CA** 6) Bachelors degree in SLP or communication disorders fulfills equivalency standard for assistants. Board may consider 9 mo FT experience in lieu of field or bachelor's clinical experience.  
10) Aides do not need formal academic or clinical training and must be directly supervised.
- CO** 4) Department of Education provides an authorization.
- CT** 5) Unlicensed but in laws.
- GA** 2) Registration for SLP Aides is not required in schools if no fees are charged for services.  
10) As an alternative to an Associate's degree, a paraprofessional may have two years of college coursework or passed a PSC approved paraprofessional assessment (with a high school diploma or GED).  
11) Numbers only apply to aides. Full time supervisor, no more than 2 aides, part-time supervisor, no more than 1 aide.
- IA** 5) Unlicensed but in rules.
- ID** 10) Requires high school diploma and two years of study at institution of higher education or an associate's degree or higher.
- IL** 1) License provided by Department of Financial and Professional Regulation. No professional educator license required.
- IL** 13) Choices are provided for continuing education fulfillment. Continuing education requirements differ for outside of school settings.
- LA** 1) Offers a provisional license.  
3) Valid for three years only. Speech pathologist assistants in schools must be licensed and have ancillary certification.
- ME** 8) Educational technicians Level III require more post-secondary hours than Level II. Educational Technicians receive an authorization from the Department of Education.
- MO** 6) Speech implementers must have a Bachelor's Degree in Elementary or Secondary Education or Communication Disorders and a current MO teaching certificate.
- MT** 13) Must attend specific training activities as determined by the supervisor.
- NC** 13) As assigned by supervising SLP.
- ND** 4) SLP Paraprofessional for school settings only. Certificate of completion for SLP, restricted educator's license for SLP, or SLP licensed issued by Audiology and SLP Board required.
- NE** 3) Requires an endorsement under a Provisional Special Services Certificate.
- OK** 8) Speech language therapist assistant certificates are no longer being issued, they may only renew current certificates.
- OR** 10) Administrative rules specify course hours and contact hours of clinical interaction. Supervision exemptions apply allowing up to four full-time.
- SD** 8) As an alternative to the degree, they may earn a minimum of 48 college credits or pass the designated ParaPro state test.
- TN** 6) Also accepts a SLPA-C from ASHA
- TN** 6)
- TX** 11) An exception may be made allowing supervision of more than four individuals if the supervisor submits documentation demonstrating their ability to manage the entire caseload.
- WI** 10) Experience and coursework requirements are established by the school district.
- WV** 6) Authorization required for a Speech Assistant.  
13) Professional development required but hours and frequency are not specified.
