Use this resource to make sure you’re in compliance with state, federal, and payer policies for audiology and speech-language pathology telepractice services for each of your patients during the public health emergency.

1. **Check state laws and regulations:** Tracking of State Laws and Regulations for Telepractice and Licensure Policy
   a. Does my state allow telepractice?
      - Yes  □ No, I can’t provide telepractice
   b. Can I practice without a license issued by the state where my patient is located?
      - Yes  □ No, I can’t practice across state lines without a license in the other state

2. **Check payer coverage policies:** Payment and Coverage Considerations for Telepractice Services During Coronavirus/COVID-19
   a. Does the payer cover telepractice services (Medicare, Medicaid, Commercial Insurance)?
      - Yes  □ No, I can’t bill telepractice for this payer
   b. Can I provide telepractice in my setting (e.g., home, outpatient, inpatient, early intervention)?
      - Yes  □ No, I can’t bill telepractice in my setting
   c. Which CPT codes are approved for telepractice?
   d. Which modifiers or place of service codes (POS) are required for telepractice?
      - 95 □ GT □ POS 02 □ Other _______
   e. Are HIPAA rules relaxed?
      - Yes  □ No

3. **Check other options:** When Telepractice Isn’t an Option
   a. Does the payer allow e-visits or virtual check-ins?
      - Yes  □ No
   b. Can I provide audio-only services? (Check state and payer policies)
      - Yes  □ No

**DON'T FORGET!**
Routinely check for expiration dates for state executive orders and payer allowances during the public health emergency. They can change!

Date(s) temporary allowances expire:

Disclaimer: This checklist serves as a reminder of key telepractice billing and coding compliance issues and is not meant to be a comprehensive resource.
